## **Brevard County Public Schools**

[www.brevard.k12.fl.us](http://www.brevard.k12.fl.us)

Information on all public schools in Brevard County including Magnet Schools & Charter Schools can be found on the website listed above. School calendars can be found on this page also.

\*To find out which schools apply to a particular address click on **‘What School Do I Attend?’**

\*Further information on a specific schools test scores & demographics can be found by clicking on **‘BPS SCORECARD’**

\*For links to each school’s website, to view starting times, get directions to a school or see a particular school’s boundaries (in map or text form) click on **‘Schools’**

Choose the appropriate title (i.e. Elementary Schools); this will take you to a page with the schools in alphabetical order. Click on the name of the school to go to its website or use any of the other links (for example: Directions) to get to the information you need.

### **School Definitions:**

**Choice School** - Public schools that offer a choice of curriculum & elective courses within the school & have no residential boundaries assigned to the school.

**Charter School** - Public schools that operate under a performance contract with the school district. Application based for admission. Charter Schools are free from many state & local regulations & mandates that control regular public schools.

**Magnet School** – A public specialty school that offers a curriculum based on a specific theme or instruction method while it continues to serve its assigned residential population. Applications can be taken from students living outside the school’s boundaries however space may be limited and a lottery system may be applied to additional applicants if necessary.
