

Get in on the Action!

Hospitality/Convention

Introducing **GoPet™**, the electric scooter designed to increase productivity and efficiency in hospitality, convention and resort applications. Food, housekeeping, maintenance and other personnel can quickly respond to customer requests on speedy **GoPet** scooters. Even the largest facilities are no match for **GoPet** with its top speed of 16 mph, a range of over 25 miles per charge and the ability to be used both indoors and outdoors. Plus, the **GoPet's** quiet operation won't disturb your guests.

Get your facility in motion... with GoPet.

Finally, a Personal Transporter that's Economical, Efficient, and Easy to Use!
